Professional Summary

Motivated and enthusiastic MCA student with a strong foundation in Software Development, Web Development, Java Full Stack Development, and Artificial Intelligence. Proficient in developing responsive and user-friendly web applications using HTML5, CSS3, JavaScript, React.js, Bootstrap, PHP, MySQL, Java, Spring Boot, Python, and Flask. Hands-on experience in building full-stack applications, REST APIs, AI-based solutions, and database-driven projects through academic and personal projects. Passionate about learning modern technologies, writing clean and efficient code, and developing innovative software solutions. Seeking an opportunity to contribute technical skills while growing as a Software Developer or Full Stack Web Developer.

Education

Master of Computer Applications (MCA), MIT CSN (2025–Present)

B.Sc. Information Technology – 76%

HSC – 62%

SSC – 72%

Technical Skills

Programming: Java, Python, C, JavaScript, SQL

Frontend: HTML5, CSS3, Bootstrap, React.js

Backend: Spring Boot, JSP, Servlet, PHP, Flask, Node.js

Database: MySQL, MongoDB, SQLite

AI/ML: Machine Learning, TensorFlow, Scikit-learn, Pandas, NumPy, OpenCV

Tools: Git, GitHub, VS Code, Eclipse, Postman, XAMPP, Maven

Projects

AI Smart Hospital Management System

Technologies: React.js, Spring Boot, MySQL

Developed full-stack HMS, REST APIs, AI disease prediction, responsive UI.

AI Chatbot using Gemini

Technologies: Python, Streamlit, SQLite

Authentication, PDF summary, chatbot, chat export.

Food Ordering / Cafe Shop

Technologies: PHP, MySQL

Ordering, cart, admin dashboard, responsive UI.

Portfolio Website

Technologies: React.js

Responsive portfolio with project showcase.

Bank Management System

Technologies: Python, Flask, SQLite

Account and transaction management.

Soft Skills

Problem Solving • Communication • Teamwork • Leadership • Quick Learner

Languages

English • Marathi • Hindi

Career Objective

To secure a Software Developer role where I can contribute my technical skills while continuously learning and building impactful software solutions.
